## DEAR COLLEAGUES AND FRIENDS

It is our pleasure to extend our invitation to you for the 18th annual meeting of The Cairo Colorectal and Pelvic Floor Meeting, which will convene 7-9 March, 2024 in Cairo-Egypt.

From all meeting coming your way, we know you will wish to participate particularly in The Cairo Colorectal and Pelvic Floor Meeting.

As usual, its outstanding international faculty of proctologists and experts of related disciplines will present their traditionally well balanced blending of education, experience and they will stimulate the exchange of views on alternative treatment modalities and future-oriented controversial issues with our interactive and dynamic audience.

Surely, your open and honest debate at the meeting are the most meaningful and productive contribution to help all of us keep abreast of the increasingly demanding developments in our profession, late not least to the benefit of quality of patient care.

This keeps us in line with the constantly obliging challenge embedded in the name of our speciality.

The preparation for our Meeting are in full swing, Our colleagues in Egypt are working tirelessly to tailor the event according to its importance.

The beauty of our exciting country where almost every bricks has a part in its rich history is a most attractive setting for The Cairo Colorectal and Pelvic Floor.

with best regards
