#### **About Us**

We are group of engineers, decided to make our own construction company in February 2010, named it STARK construction "which means Construction by all its true meanings" hoping to Eliminate any mistakes that we faced during our work lifetime in other companies.

## **STARK Strength points:**

We target to finish our projects in its dedicated time Schedule with high quality, and stakeholders' satisfaction "Client, Engineer, Subcontractors and Employees". We believe that High coordination gives Zero Re-work, High precautions gives zero injuries.
